(Designation) Chairman, Municipal Council,

To The Secretary to the Government of Madras,

Local Self Government Department.
Madras

Sir, Through the Director of Public Instruction,
MADRAS.

I have the honour to state that the following posts had fallen vacant in the Municipal High School, Bellary

(1) Chemistry asst's place
(2) Mathematics -do- -do-
(3) 5th -do- -do-.

The vacancies were advertised and in response to the above several applications were received. Among the applicants, the District Educational Officer selected the undermentioned individuals and recommended them for appointment.

(1) Mr. Panchapagesa Iyer, B.A., L.T.,
(2) Mr. M.V. Srinivasan, B.A., L.T.,
(3) Mr. Sankaran, M.A.,

The first two persons were started on a salary of RS:96 & 92 respectively

respectively in the scale of RS: 80-4-100 sanctioned for L.Ts and the last individual who is only an M.A., and not L.T. was started on RS:60/- in the sanctioned scale of RS:50-2-60. As the school was suffering for want of qualified teachers I was forced to start them on the salaries as noted above which the applicants demanded. I have made their appointments in consultation with the District Educational Officer. The Council have in their Resolution No. 18 dated 28-7-23 (copy enclosed) approved of the granting of the advance increments to the above mentioned teachers. As the net cost of the school is borne by the Government the sanction of the Government is not saught for for permitting the above teachers to start on the emoluments noted against each. The teachers are paid in addition the usual allowance of RS:6/- paid to all other teachers.

I have the honour to be,

Sir,

Your most obedient servant,

Vice-Chairman.

" In reply to your No.703-B/23 dated 22-10-23, I have the honour to state that the school wanted very badly a graduate in Mathematics and in response to an 0806 advertisement Messrs.

(1) T.R.Lakshmana Rao
(2) M.G.Vasudava Rao
(3) M.V.Srinivasan.
(4) P.R.Srinivasan

applied for the post. Out of them 1, 3 and 4 are L.T.s while the 2nd is not. The applicant No.1 offered to serve on the minimum pay and his offer was accepted but after long delay he declined the post.

Applicants Nos.3 and 4 demanded more than the minimum pay and No.3 mentioned in his application that the starting pay of Rs.80 was low and that he would join the post if a pay of Rs.92/- was offered to him. He is an Honours Graduate and had passed the examination in II class, while applicant No.4 demanded higher starting pay as well as higher scale of pay-applicant No.3 merely wanted a starting pay of Rs.92. Thus there was no choice left for my predecessor except to offer Rs.92 to applicant No.3 Mr.M.V.Srinivasan and I consider it too that he was perfectly wise in having offered the higher pay as he could not get one on less pay. Further the said appointment has been made in consultation with the District Educational Officer.

With regards to graduates in History there were only two applicants one of them being the present incumbent Mr.S.N.Sankaran, an M.A.with 3 years of experience in teaching history and the other Mr.Venugopala

Venugopala Rao a honours graduate, fresh from College. Naturally the former has been pitched upon and as he had demanded decent salary, my predecessor seems to have offered Rs.60 in view of his experience and of his qualifications. Applicants were only two and one better fitted wanted decent pay and hence the higher salary seems to have been justly offered. This appointment too seems to have been made in consultation with the District Educational Officer. In both the cases the giving of higher pay seems to have been necessary and I hope the Government will sanction the same.

As the net cost of the school is borne by Govt., the chairman, Municipal Council, Bellary, should have obtained the previous sanction of Govt. before the higher initial salary was offered to the teachers. The chairman's attention

may be drawn to the omission.

2. It is surely customary that when teachers are appointed to a school and are appointed to a particular grade in that school they should start on the minimum salary of the grade unless they are at present drawing in ~~some~~ a similar schools a higher rate of pay than the minimum in the same grade. The proposal to give advance increments at the expense of Government cannot be accepted. Provincial revenues can only be saddled with the minimum of the cost proposed.
